Abhijit Mukherjee 1992 *Indian J. Phys.* **66A**, 559

(Publications of Lectures of Theoretical Physics Seminar Circuit, 1989-90)

In this paper, published in the July issue of *Indian Journal of Physics*, the figure 13(b) on p 579 has not been reproduced properly. The correct figure is now reprinted below :

Figure 13(b). The curvature C versus the inverse of the chain size

The Editorial section sincerely apologises for the improper reproduction by the Press, which was beyond our control.
